Subject: Resignation from Board of Directors, Architectural Review Committee, and
Secretary Position

Dear Alton Ofczarzak,

Please accept this letter as formal notification that I am resigning, effective immediately, from the following positions I currently hold with Hunters Crossing Estates HOA: Board of Directors member, Architectural Review Committee member, and Secretary.

Due to my employment position transition to the Accounting Department with Oakwood Custom Homes and my greatly increased work responsibilities, I can no longer dedicate the necessary time to fulfill any duties regarding HOA. Thank you for your understanding.

Sincerely,
